

**Awareness Session on
“Tea: From Plantation to Cup and Entrepreneurship Opportunities”
12.3.2026**

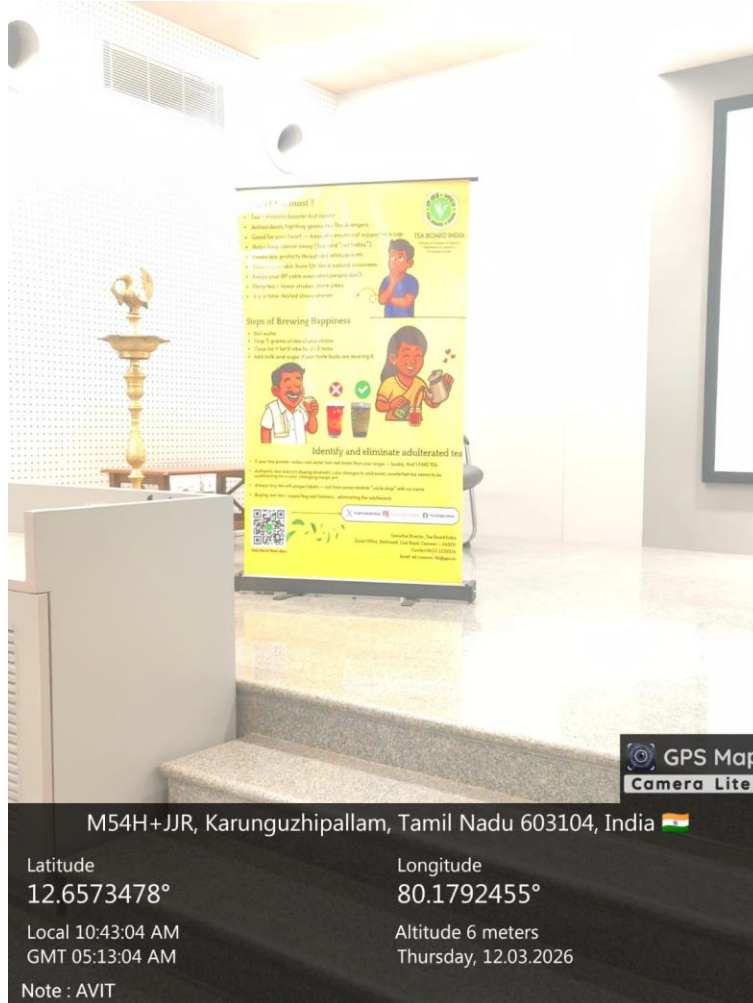

An awareness session on *“Tea: From Plantation to Cup and Entrepreneurship Opportunities”* was successfully conducted by Internal Quality Assurance Cell on 12th March 2026 at the Mini Auditorium of Aarupadai Veedu Institute of Technology, VMRFDU.

The session commenced with a warm welcome address by Dr. J. Senthil, IQAC Coordinator, who highlighted the importance of such awareness programs in broadening students’ knowledge beyond academics and encouraging entrepreneurial thinking.

The keynote speaker, Mr. D. Nirmal Raj, Managing Director & CEO of Dan-Jo Teas, delivered an inspiring talk, sharing his life journey and entrepreneurial experiences. He elaborated on the challenges and hurdles he faced while establishing his venture and how perseverance and innovation played a key role in his success. His motivational insights encouraged students to explore entrepreneurship as a viable career option.

Officials from the Tea Board of India also participated in the session and provided valuable insights into tea cultivation practices in India. They explained the various stages involved in tea production—from plantation to processing—and highlighted the significance of quality control. Additionally, they demonstrated methods to identify tea adulterants, creating awareness among students about consumer safety and product authenticity.

The session was highly interactive and informative, benefiting both students and faculty members. It provided a comprehensive understanding of the tea industry while also inspiring entrepreneurial aspirations among participants.
