The Department of Electrical and Electronics Engineering, in association with the AVIT Alumni Association, organized an **Alumni Guest Lecture** on *"Corporate Ethics: Building Trust in a Competitive World"* on **12th September 2025**. The session aimed to provide students with insights into professional ethics, workplace values, and the importance of building trust in today's highly competitive corporate environment.

The resource person for the lecture was **Mr. Vignesh T**, Associate Software Developer, IQVIA, Chennai, and a proud alumnus of the **EEE Department, Batch 2012–2016**. He shared his professional journey, experiences, and challenges faced in the corporate world while emphasizing how ethical practices and integrity play a vital role in shaping long-term success.

During the session, Mr. Vignesh highlighted real-world scenarios where ethical decision-making makes a difference in career growth and organizational reputation. He also discussed the significance of teamwork, transparency, accountability, and trust-building in sustaining professional relationships. The interactive session encouraged students to ask questions and reflect on the value of ethics in their future careers.

The lecture was well-received by the students and faculty members, who appreciated the relevance of the topic and the engaging delivery by the alumnus. It served as a motivation for the students to uphold ethical standards, develop professional discipline, and prepare themselves for the challenges of the corporate world.

The Department of Electrical and Electronics Engineering and the AVIT Alumni Association expressed their gratitude to **Mr. Vignesh T** for his valuable time and contribution. The event not only strengthened alumni relations but also provided a platform for knowledge sharing and mentoring.
