Expert Talk on “Career Guidance on IT Expectations”

As part of the **First Year Student Induction Programme 2026–2027**, an expert talk session on “**Career Guidance on IT Expectations**” was organized for the first-year students of Aarupadai Veedu Institute of Technology (AVIT) on **5th August 2026 at 10.00 a.m.** at the **Indoor Auditorium, AVIT**.

The session was graced by **Mr. K. M. Rajesh, Senior Technical Lead, EPAM Systems Ltd., Chennai**, as the resource person. The programme aimed to provide first-year students with valuable insights into the expectations of the Information Technology industry, essential skills required for a successful career, and the importance of continuous learning and professional development.

Dr. Vaidevi. C, First Year Coordinator, AVIT, welcomed the gathering and introduced the resource person to the students and faculty members. **Dr. L. Prabhu, Vice President (Administration), AVIT**, honoured the distinguished guest with a **shawl and memento** as a token of appreciation.

Mr. K. M. Rajesh delivered an engaging and informative session, highlighting the current expectations of the IT industry and the competencies students need to develop from the early stages of their academic journey. He emphasized the significance of technical knowledge, communication skills, problem-solving ability, adaptability, teamwork, and continuous upskilling in building a successful career in the IT sector.

The session was highly **interactive**, with students actively participating and raising questions related to career opportunities, industry requirements, skill development, and employability. The resource person responded to the students' queries and provided practical guidance based on his industry experience.

The session concluded on a positive note, with students gaining a better understanding of the evolving IT industry and the skills and attributes expected by prospective employers. The programme served as a valuable platform for motivating first-year students to plan their career paths and begin developing industry-relevant competencies from the beginning of their academic journey.

The programme concluded with a formal Vote of Thanks. Gratitude was expressed to **Dr. J. Janet, Principal, AVIT**, for his valuable guidance and constant support in organizing the programme and her continuous encouragement and leadership in making the event a grand success. Thanks were also extended to the **Vice Principals (Academic and Administration)** for their valuable guidance and support throughout the programme.
