Time: 11.00 AM

Venue: Indoor Auditorium, AVIT

EVENT BROCHURE

As part of the **First Year Student Induction Programme 2026–2027**, Aarupadai Veedu Institute of Technology (AVIT) organized an inspiring motivational session titled "**Civil Services: Your Path to Nation Building**" on **31st July 2026 at 11.00 AM** in the **Indoor Auditorium**. The programme was conducted to create awareness among first-year students about the significance of the Civil Services as a prestigious career option and to inspire them to contribute towards nation-building through public service.

The programme commenced with a warm welcome by **Ms. Subthra, Department of Biotechnology**, who delivered the **Welcome Address**. She extended a cordial welcome to the

dignitaries, faculty members, and first-year students, setting a positive and enthusiastic tone for the session. Following the welcome address, the **Chief Guest, Dr. M. Boominathan, Founder and Director, KingMakers IAS Academy**, was felicitated with a **shawl, bouquet, and memento** as a token of gratitude and appreciation for his gracious presence by the Director-ESRSC, Principal & VP.

The gathering was addressed by **Dr. J. Janet, Principal, AVIT** highlighted the importance of developing leadership qualities, ethical values, and a spirit of service during their academic journey. She encouraged the students to make the most of the opportunities provided during the Student Induction Programme and to aspire towards careers that contribute meaningfully to society.

Following this, **Dr. G. Selvakumar, B.E., M.E., Ph.D., Director – Engineering & Scientific Research and Strategic Collaborations, VMRF**, addressed the gathering. He motivated the students to pursue excellence in academics while nurturing social responsibility and leadership qualities. He emphasized that engineers possess the potential to become effective administrators and changemakers, encouraging students to explore Civil Services as a rewarding avenue for serving the nation.

The session was delivered by **Dr. M. Boominathan, Founder and Director of King Makers IAS Academy**, one of India's renowned institutions for Civil Services coaching. Drawing upon his vast experience in mentoring Civil Services aspirants, Dr. Boominathan shared valuable insights into the opportunities, challenges, and responsibilities associated with becoming an IAS, IPS, IFS, and other Civil Service officers.

During the interactive session, he emphasized the importance of developing leadership qualities, critical thinking, ethical values, discipline, and social responsibility from the very beginning of students' academic journey. He explained the structure of the Civil Services Examination, effective preparation strategies, time management techniques, and the importance of continuous learning and perseverance. He also encouraged students from all engineering disciplines to consider Civil Services as a meaningful career path where technical knowledge can be effectively utilized for public welfare and national development.

The speaker motivated students to dream beyond conventional career choices and highlighted how committed civil servants play a vital role in policy implementation, governance, and improving the lives of citizens. His inspiring examples of successful Civil Services officers and practical guidance left a lasting impression on the students.

The session witnessed enthusiastic participation from the **first-year students of AVIT**, who actively engaged with the resource person during the question-and-answer session. The programme successfully broadened students' perspectives on career opportunities in public administration while instilling a strong sense of patriotism, leadership, and social commitment.

The event concluded on a positive note with students expressing appreciation for the informative and motivational session. It served as a significant platform to inspire young minds to aspire for leadership roles in nation-building through the Civil Services.

The programme concluded with a formal Vote of Thanks. Gratitude was expressed to **Dr. G. Selvakumar, Director – Engineering & Scientific Research and Strategic Collaborations, VMRF**, for his valuable guidance and constant support in organizing the programme. Sincere appreciation was conveyed to **Dr. J. Janet, Principal, AVIT**, for her continuous encouragement and leadership in making the event a grand success. Thanks were also extended to the **Vice Principals (Academic and Administration)** for their valuable guidance and support throughout the programme.
