## **Report on**

### **Awareness Workshop: Entrepreneurship and Innovation as career opportunities**

The Institution's Innovation Council of AVIT organized an Awareness Workshop on "Entrepreneurship and Innovation as Career Opportunities" for first-year students on 29 November 2025 at the Mini Auditorium.

The primary objective of this Awareness Workshop was to sensitize first-year students towards entrepreneurship and innovation as viable and rewarding career options. The program aimed to introduce students to the startup ecosystem, importance of innovative thinking and problem-solving, and the role of higher educational institutions in nurturing entrepreneurial mindset, in alignment with the objectives of MoE–Institution's Innovation Council (IIC).

#### **Program Schedule and Structure (5 Hours)**

The workshop was structured to ensure meaningful engagement and awareness building:

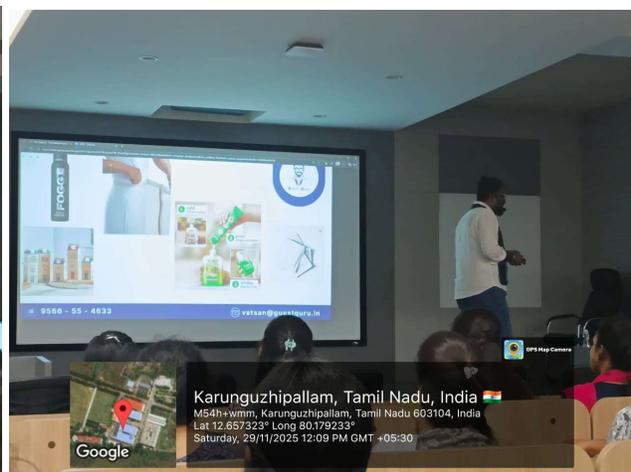

- Introduction to IIC and Entrepreneurship Ecosystem
- Expert Lecture on Entrepreneurship, Innovation & Startup Culture
- Real-time Startup Case Studies and Industry Examples
- Discussion on Government Support Systems and Skill Requirements
- Interactive Question & Answer Session
- Student Reflection, Feedback and Conclusion

The session commenced at 10.30 AM with a Welcome Address by Dr. B. Prabhasheela, IIC Coordinator, who emphasized the importance of innovation and entrepreneurship in shaping students' future careers. The Chief Guest Introduction was delivered by the Event Coordinator, Dr. B. Dhanalakshmi, who highlighted the relevance of the session for first-year students and its alignment with IIC objectives.

The main technical session was delivered by the invited resource person, Mr. V. Sree Vatsan, an experienced entrepreneurship trainer, Founder of *Uyirmei InfoTech* and Co-Founder of *Guest Guru*, Trichy. During his address, he elaborated on:

- Importance of innovative thinking and problem identification
- Startup culture and emerging entrepreneurial opportunities
- Skill sets required to become a successful entrepreneur
- Idea validation, technology adoption, and market readiness
- Government initiatives such as Startup India, MSME schemes, and incubation support

### **Student Participation and Interaction**

A total of 54 students from first-year undergraduate programs actively participated in the workshop. Students showed keen interest and actively engaged during the interactive Q&A session, seeking clarification on:

- Entrepreneurial career pathways
- Startup idea generation and validation
- Role of technology and innovation
- Funding opportunities and incubation support

### **Learning Outcomes**

At the end of the workshop, students were able to:

- Recognize entrepreneurship as a potential career option
- Understand the importance of innovation, creativity, and problem-solving
- Gain awareness of the startup lifecycle and support ecosystem
- Identify institutional and government mechanisms supporting startups

### **Feedback and Reflection**

The feedback received from participants was highly positive. Students appreciated the practical orientation, real-world examples, and motivational approach of the resource person. The session was found to be informative, engaging, and career-oriented.

The session concluded with a Vote of Thanks delivered by Dr. B. Dhanalakshmi, Prof./Physics, IIC Department Coordinator, H&S.

Cordially welcome you to the  
Awareness Workshop on
