active participation. Faculty talks provided insights into current educational reforms and career-oriented learning. The event fostered a positive academic environment, strengthened student-faculty interaction, and inspired students to strive for academic excellence, skill development, and holistic growth, aligning with the vision of Maulana Abul Kalam Azad and the goals of the National Education Policy.

EVENT BROCHURE

The brochure features the AVIT logo at the top left, the Vinayaka Mission's Research Foundation logo at the top center, and the Institution's Innovation Council logo at the top right. The main text reads "Cordially invites you all to the National Education Day" in large blue font. Below this, the date "14 November 2025" is shown with a calendar icon, the time "10:00 AM - 03:00 PM" with a clock icon, and the location "Smart Classroom, AVIT" with a person icon. The central image shows a male and female student looking at a glowing book, with a map of India and various technology icons (AI, IoT, Cloud) overlaid. At the bottom, it states "Organized by Department of Electronics & Communication Engineering & Department of Biomedical Engineering". Logos for Vinayaka Mission's Research Foundation, NAAC, IETE, IEEE, and GIEC are displayed at the very bottom.

The Department of Electronics & Communication Engineering and Department of Biomedical Engineering in association with **Institution Innovation Council (IIC)**, **IEEE Student Chapter- AVIT & IETE students Forum** organized a oneday event “National Education Day Celebration” on **14.11.25** to encourage innovation and creativity among students. The event aimed to provide a platform for students to enhanced awareness among students about the importance of education in nation-building and personal growth.

National Education Day was celebrated with great enthusiasm to commemorate the birth anniversary of Maulana Abul Kalam Azad, India's first Education Minister and a visionary leader in the field of education. The program aimed to highlight the importance of education in nation-building and to inspire students toward lifelong learning.

On 14.11.25, the event began with a welcome address by Ms. Bavani, III Year BME followed by an inaugural speech by Dr. L.K. Hema, HOD - ECE /BME, emphasizing the role of quality education, innovation, and values in shaping responsible citizens. Faculty members of ECE & BME addressed the gathering on contemporary educational challenges, the National Education Policy (NEP 2020), and the need for skill-based and inclusive education. Special emphasis was given to critical thinking, research, and entrepreneurship among students.

Various student-centric activities such as essay writing, quiz competitions, and poster presentations were organized to encourage active participation and creative expression. Students enthusiastically shared their views on the significance of education in personal and professional development.

The celebration concluded with a valedictory session hosted by MS. Sanka Manasa, III Year BME, where winners of the competitions were appreciated and certificates were distributed. The program successfully reinforced the message that education is the most powerful tool for social transformation and national progress. The event created awareness and motivated students to strive for academic excellence and holistic development.
