<b>Event Organizer / Coordinator</b> Faculty Name / Department / Designation	Dr L Nagarajan, Biotechnology & Associate Professor		
<b>Target Participants</b>	Students		
<b>Objective</b>	To inspire, educate, and empower students by exposing them to real-world entrepreneurial experiences. The primary objectives of the event were to create awareness about entrepreneurship as a viable and rewarding career pathway alongside conventional academic and professional options. Students were encouraged to explore startup culture, understand the fundamentals of business development, and recognize the importance of creativity, leadership, and resilience in building successful ventures.		
<b>Outcome</b>	Students gained a clear understanding of the entrepreneurial journey, including idea generation, validation, business planning, funding mechanisms, branding, customer engagement, and scaling strategies. The practical examples shared by the resource person made complex concepts easy to understand and relatable.		

The Institution's Innovation Council (IIC) in association with the Department of Biotechnology, **Aarupadai Veedu Institute of Technology (AVIT)**, Vinayaka Missions Chennai Campus, successfully organized the National Youth Day Celebration – 2026 on 12th January 2026. The celebration featured an inspiring motivational seminar titled “*Entrepreneur Journey – From Idea to Success*”, delivered by Mr. Karthic Rathinam, Founder of Out of the Box, Anna Nagar, Chennai.

The programme commenced with a formal introduction of the resource person by Dr. L. Nagarajan, Associate Professor, Department of Biotechnology, who highlighted the speaker's achievements and emphasized the significance of entrepreneurship among youth. The welcome address was delivered by Dr. A. Nirmala, Associate Professor and Head, Department of Biotechnology, who warmly welcomed the dignitaries, faculty members, and students.

The seminar aimed to cultivate an entrepreneurial mindset among students and enhance their understanding of startup development. Mr. Karthic Rathinam delivered an engaging and

insightful session, sharing practical experiences on idea generation, validation, funding strategies, leadership skills, risk management, and business scaling. The interactive nature of the session encouraged active student participation and meaningful discussions.

The event successfully motivated students to explore innovation-driven career pathways while strengthening their awareness of creativity, resilience, and problem-solving abilities. The programme concluded with the Vote of Thanks proposed by Dr. Senthil Kumar S, Associate Professor, Department of Biotechnology.
