

REPORT ON SWACHHTA ACTION PROGRAMME

(ThooimaiPanigalMugam)

The National Service Scheme (NSS) of AVIT ISR Cell, Department of Youth Affairs, Ministry of Youth Affairs and Sports, Government of India, organised a Swachhta Action Programme (ThooimaiPanigalMugam) at AarupadaiVeedu Institute of Technology (AVIT), Vinayaka Mission's Research Foundation (Deemed to be University), at the Mamallapuram Sea Shore Temple coastal drive at 7:00 AM on [Insert date]. The programme was organised and led by Dr. K. Surendrababu and Mr. A. Imthiyas, NSS Programme Officers, together with Dr. G. Antony Casmir Jayaseelan, NCC Officer, who also took part in the drive. A total of 46 NSS volunteers and 35 NCC cadets participated actively, making 81 students in all. Inspired by the ideals of Mahatma Gandhi on cleanliness and service to the nation, the students were briefed on the objectives and safety precautions, divided into groups, and cleaned the coastal drive. They collected plastic waste, bottles, wrappers and other litter from the roadside and surrounding areas, leaving the stretch cleaner for tourists and local residents. In total, about 80 kg of waste was collected from the sea shore area and was handed over to the Mamallapuram Municipality for proper disposal. Working at a world-famous heritage site made the activity especially meaningful and helped the participants understand that keeping public places and coastal areas clean is the shared responsibility of every citizen. The programme was conducted successfully, and the dedication, teamwork and discipline of the NSS volunteers and NCC cadets were appreciated. It strengthened their sense of social responsibility, leadership and community service, and AVIT will continue to organise such programmes for a cleaner and greener environment.
